Continuation of Military Leave and Employer-Paid Health and Welfare Benefits Coverage for University Employees Recalled from the Reserves to Active Military Service

RESOLVED, That the Board of Trustees of The City University of New York, in response to the continuing need for employees in the National Guard and Reserves to be activated for Military Service in response to the events of September 11, 2001, and in light of the continuing evolution of the response to September 11, 2001 into a wider campaign against terror, including military action in Afghanistan, hereby authorizes the continuation of Military Leave and Health & Welfare benefits for University employees in accordance with the following policies. These policies apply to employees of The City University of New York who are members of the National Guard, Reserve forces, or Reserve components of the Armed Forces of the United States.

1. Supplemental Military Leave

   (a) The City University of New York will provide a temporary leave category called Supplemental Military Leave at full pay. Employees of The City University of New York who have been federally activated or activated by the Governor of New York State for military service between September 11, 2001 and December 31, 2014 will be granted Supplemental Military Leave with full pay after the exhaustion of military leave with full pay pursuant to Section 242 of the New York State Military Law. While on such Supplemental Military Leave, the eligible employee will be in full pay status for a period not exceeding 30 work days, in addition to the leave that had been granted pursuant to Section 242 of the New York State Military Law. The Statutory Entitlement period is 30 work days for all Public Servant Soldiers of the City of New York in compliance with Chapter 238 of the laws of 2008.

   (b) Employees shall be eligible to receive Supplemental Military Leave through December 31, 2014. Supplemental Military Leave shall not be granted for military service performed after December 31, 2014. In no event shall more than one such grant of Supplemental Military Leave be credited to any employee for activation related to the war on terror regardless of the number of times the employee is activated between September 11, 2001 and December 31, 2014.

2. Military Leave at Reduced Pay

   (a) Employees shall be eligible to receive Military Leave at Reduced Pay through December 31, 2014. Military Leave at Reduced Pay status commences after the employee has exhausted Military Leave pursuant to Section 242 of the New York State Military Law, Supplemental Military Leave as set forth in paragraph 1 above, and any leave credits, other than temporary disability leave or sick leave, which the employee elects to use.

   (b) Employees in Military Leave at Reduced Pay status will be paid their regular City University of New York salary (base pay) reduced by military pay (base pay plus housing and food allowances). The determination of rate of payment for the Military Leave at Reduced Pay will be based upon the employee's regular City University of New York
salary as of his/her last day in full pay status and the employee's military pay on the first
day of his/her activation, and shall not be subject to adjustment during the period of leave
at reduced pay.

(c) Employees eligible for Military Leave at Reduced Pay will not be eligible to earn annual
and temporary disability leave/sick leave accruals or to receive credit for holidays.

(d) In no event shall Military Leave at Reduced Pay be granted for military service performed
after December 31, 2014.

3. Continued Health Insurance Coverage

Covered dependents of eligible employees of The City University of New York, who are currently
enrolled in a health plan with family coverage through The City University of New York and who
have been federally activated or activated by the Governor of New York State for military service
related to the war on terror shall continue to receive health insurance coverage with no employee
contribution for a period not to exceed 12 months from the date of activation, less any period in
which the employee remains in full-pay status. Contribution-free health insurance coverage will
end at such time as the employee's active duty is terminated or the employee returns to City
University of New York employment or December 31, 2014, whichever occurs first.

4. Other Provisions

The provisions of this resolution shall not apply to those employees who have voluntarily
separated from City University of New York service or who are terminated for cause. Furthermore,
the provisions of this resolution shall apply only for the period of time that the employee has an
appointment with The City University of New York.

January 24, 2012 and February 6, 2013, the Board of Trustees passed resolutions extending
Military Leave and employer-paid health and welfare benefits coverage for University employees
recalled from the Reserves to active military service in response to the events of September 11,
2001. This resolution authorizes the continuation of these benefits through December 31, 2014 in
response to the need for employees to serve in the Armed Forces in light of the continuing
evolution of the response to September 11, 2001 into a wider campaign against terror, including
military action in Afghanistan.

This resolution, consistent with the policies being followed by the State of New York for its
employees, authorizes, under certain conditions, the continuation of Supplemental Military Leave
at full pay for 30 work days, in addition to the Military Leave provided pursuant to Section 242 of
the New York State Military Law. Further, after exhaustion of the Supplemental Military Leave,
this resolution authorizes a Military Leave at Reduced Pay for military service performed through
December 31, 2014, whereby the employee will receive salary from The City University of New
York equal to the difference between the employee's regular CUNY salary and the military pay
he/she is receiving. Finally, this resolution authorizes the continuation (through December 31,
2014) of dependent health care coverage, under certain conditions, for employees recalled to
active service related to the war on terrorism (less any period in which the employee remains in
full-pay status).
