B. THE CITY UNIVERSITY OF NEW YORK - KONICA MINOLTA BUSINESS SOLUTIONS U.S.A., INC.:

RESOLVED, That the Board of Trustees of The City University of New York authorize the General Counsel to execute a University-wide Agreement to provide maintenance and consumables for CUNY’s existing fleet of Konica copiers. After public advertisement and sealed bidding pursuant to law and University regulations, Konica Minolta Business Solutions U.S.A., Inc. (“Konica”) was selected as the lowest responsive and responsible bidder. Such purchase shall not exceed $8,458,357.80 for the period July 1, 2014 through June 30, 2019 and will be chargeable to the CUNYFirst codes for the individual colleges and the Central office. The contract shall be subject to approval as to form by the University Office of General Counsel.

EXPLANATION: CUNY has nearly 2,000 Konica copier machines and the continued operation of this fleet is critical to the day to day operations of CUNY.

C. THE CITY UNIVERSITY OF NEW YORK - AWARD OF VENDING OPERATIONS AGREEMENT FOR PARTICIPATING SCHOOLS BY REQUEST FOR PROPOSALS:

RESOLVED, That the Board of Trustees of The City University of New York authorize the University to choose a vending services company to provide, operate and maintain snack and beverage vending equipment at some or all of the colleges and the Central Office, in exchange for the payment of royalties and a commission on sales. The vending services company shall be a responsive and responsible offeror chosen on the basis of best value after public advertisement and timely submission of sealed proposals through a Request for Proposal solicitation and evaluation process conducted by the University pursuant to law and University regulations. The term of the contract(s) resulting from the solicitation process shall be five years, with one three-year and one two-year renewal options, as determined in the best interest of the University. The contract(s) may be executed by the University and/or college auxiliary enterprise corporations, and shall be subject to approval as to form by the University Office of General Counsel.

EXPLANATION: At present, the auxiliary enterprise corporations at some CUNY colleges have entered into vending operations agreements with vending machine operators to provide, operate and maintain snack and beverage vending equipment on their campuses. To provide greater efficiencies and maximize the funds generated for college and University purposes, the University would like to replace the current agreements, which involve different vending operators, with a grant of vending operation rights to a single operator for those colleges participating in this RFP as well as those colleges that may choose to participate at a later date. This arrangement will not involve the expenditure of any tax levy revenues. It is expected that the exclusive nature of the contract(s), along with rights to a significant number of University colleges, will provide higher revenues for each of the participating colleges and the Central Office than do the current, individually negotiated agreements. In the event that it does not, no contracts will be executed.
D. THE CITY UNIVERSITY OF NEW YORK (CENTRAL OFFICE) – UNIVERSITY-WIDE EMPLOYEE ASSISTANCE PROGRAM:

RESOLVED, That the Board of Trustees of The City University of New York authorize the General Counsel to execute a contract on behalf of the University to provide a University-wide employee assistance program (EAP). The contract shall be awarded on the basis of best value to a responsive and responsible offeror chosen after public advertisement and timely submission of sealed proposals through a Request for Proposal solicitation and evaluation process conducted by the University pursuant to law and University regulations. The initial term shall be three years and the contract shall include up to two one-year options for the University to renew in its best interest. The contract shall be subject to approval as to form by the University Office of General Counsel.

EXPLANATION: The EAP will provide employees with a wide range of confidential and cost-effective programs, services, referrals, and/or information designed to help employees balance the needs of personal life with the requirements of work and to address personal problems that may affect an employee's work performance. The contractor will provide program services, which shall include, but not be limited to: short-term counseling; employee assistance service; childcare services; elder care services; consumer services; outreach and program promotion; and training, health & wellness and other services. In addition, the contractor will assess, identify, evaluate, motivate and treat employees whose job performance may be impaired by a range of physical, emotional, mental and other behavioral problems.

E. BARUCH COLLEGE - ESCALATOR MAINTENANCE SERVICE:

The contract shall be awarded to the lowest responsive and responsible bidder after public advertisement and sealed bidding by the College pursuant to law and University regulations. Such purchase shall not exceed a total estimated cost of $220,000 chargeable to CUNYfirst Code 2014 BAR01 80048 10 400 9999 999999 9999 53104 for the first year of the five-year contract beginning in fiscal year 2013-2014. The College will have one one-year renewal option for the University to renew in its best interest. The contract shall be subject to approval as to form by the University Office of General Counsel.

EXPLANATION: Baruch College will use these services to provide creative services for the rebranding of the College’s Zicklin School of Business.

G. BARUCH COLLEGE - REVISED SCHEDULE OF ACADEMIC EXCELLENCE FEES:

RESOLVED, That The City University of New York adopt a revised schedule of academic excellence fees by removing the maximum on the total amount of academic excellence fees charged for students in Baruch
College business programs (part-time and full-time MBA; the part-time and full-time MS), the financial engineering MS program, public affairs MS degrees, corporate communications, industrial-organization psychology and mental health counseling programs.

EXPLANATION: The academic excellence fees adopted in Fall 2011 for Baruch College business programs (part-time and full-time MBA; the part-time and full-time MS), the financial engineering MS program, public affairs MS degrees, corporate communications, industrial-organization psychology and mental health counseling programs provided funds to develop student support services commensurate with the outstanding academic programs we offer, and augmented our graduate programs in the critical areas of job placement, career services, and student recruitment. The current fee structure ‘caps’ the maximum fee collected regardless of how many semesters a student requires to complete the degree. The support needed by and offered to the students does not diminish at the end of several semesters, but remains and is offered through the entire duration of their studies. We propose to eliminate the maximum on the total amount of academic excellence fees charged to a student, thereby removing a disincentive for timely completion of the graduate degree. Students will continue to receive a Baruch education that is not only of exceptional quality, but that is also very reasonable and financially affordable. The college will continue to administer financial aid to assist those students who cannot afford the increase in costs.

H. THE CITY UNIVERSITY OF NEW YORK - UNIVERSITY-WIDE CONTRACT FOR ELECTRONIC ACCESS TO JSTOR DIGITAL LIBRARY:

RESOLVED, That the Board of Trustees of The City University of New York authorize the General Counsel to execute a University-wide contract to purchase the JSTOR digital library on behalf of participating colleges from ITHAKA without competitive bidding and pursuant to law and University regulations. Such purchase shall not exceed $2,500,000, payable in five annual installments and chargeable to the appropriate CUNYFirst codes for the colleges and the Central office. The University will have the right to terminate the contract at any time in its best interest. The contract shall be subject to approval as to form by the University Office of General Counsel.

EXPLANATION: The University will use this contract with ITHAKA, a not-for-profit organization that helps the academic community use digital technologies to preserve the scholarly record and to advance research and teaching in sustainable ways, to provide access to the JSTOR digital library. JSTOR provides full-text access to almost 2,000 journals from more than 900 publishers and is subscribed to by more than 8,000 institutions world-wide. This agreement has been advertised as required by law.

I. THE CITY UNIVERSITY OF NEW YORK - UNIVERSITY-WIDE CONTRACT FOR ELECTRONIC ACCESS TO DIGITAL COMMONS INSTITUTIONAL REPOSITORY:

RESOLVED, That the Board of Trustees of The City University of New York authorize the General Counsel to execute a University-wide contract to purchase electronic access to Digital Commons on behalf of participating colleges from be-press without competitive bidding and pursuant to law and University regulations. This agreement has been advertised as required by law.
J. THE CITY UNIVERSITY OF NEW YORK - INVESTMENT PORTFOLIO EXPENDITURE APPROPRIATION:

RESOLVED, That the Board of Trustees has determined, in accordance with CUNY’s Spending Policy (which is Exhibit B to the Investment Policy), that it is prudent and appropriate to maintain an appropriation of 4.5% for the funds in the Portfolio for the fiscal year ended June 30, 2015.

NOTE: A copy of the Investment Policy is on file in the Office of the Secretary of the Board, along with the disposition of summaries of the meetings of the Fiscal Affairs Committee and the Subcommittee on Investment on April 7, 2014.

EXPLANATION: The CUNY Portfolio is a pooled investment vehicle for multiple individual accounts that include both endowed and non-endowed funds received by CUNY for its general purposes, funds received by CUNY for the benefit of a specific CUNY College and funds belonging to one or more of the College Foundations that have chosen to invest in the Portfolio. CUNY’s policies and procedures with respect to spending from the Portfolio shall comply with the New York Prudent Management of Institutional Funds Act [NYPMIFA]. Decisions with respect to spending from CUNY Funds in the Portfolio shall be made by CUNY’s Board of Trustees on recommendation from the CUNY Subcommittee on Investments (the “Subcommittee”). Decisions with respect to spending from College Foundations invested in the Portfolio must be made by the respective foundation boards, though each is asked to consider, to the extent possible and prudent, the spending rate of the Portfolio in order to preserve the long-term value of the funds in the Portfolio.

In making any recommendation or decision to appropriate funds, the Subcommittee and Board must act in good faith with the care that an ordinarily prudent person in a like position would exercise under similar circumstances. Also, to ensure compliance with NYPMIFA, CUNY Funds in the Portfolio are categorized into groups of similarly situated funds according to purpose. The Subcommittee reviews the categories and the composition of each group to ensure the Funds are properly classified. It then deliberates on the prudence of the spending rate for each of the categories based upon the eight prudence factors mandated by NYPMIFA, and listed in Exhibit B Subsection 1A of this Policy, prior to making its recommendation to the Board for the next fiscal year. The Subcommittee on Investment and the Fiscal Affairs Committee have both reviewed and approved the proposed expenditure appropriation.

K. BROOKLYN COLLEGE - RELEASE OF RESTRICTIONS ON VARIOUS FUNDS TO BE USED FOR SPECIFIED PURPOSES:

RESOLVED, That the Board of Trustees of The City University of New York authorizes the release of restrictions on various funds at Brooklyn College (as listed on Schedule A annexed hereto) and further authorizes those funds to be used for the purposes indicated on Schedule A, upon prior notice to the New York State Attorney General, as and if required by the New York Prudent Management of Investment Funds Act. The Senior Vice Chancellor for Legal Affairs is authorized to sign any documents necessary in connection with the authorizations granted hereby.

EXPLANATION: The New York Prudent Management of Investment Funds Act (NYPMIFA), enacted in 2010 as part of the New York Not-for-Profit Corporation Law, provides for the release or modification of donor-imposed restrictions on gifts under certain circumstances. Under NYPMIFA, funds that are more than 20 years old and have balances of less than $100,000 may be repurposed by CUNY without the need for court approval. The funds listed on Schedule A annexed hereto meet that criteria. All of the funds are being proposed for alternative uses because the current uses are either unlawful, impractical, wasteful, or their current purposes are impossible to comply with.

The CUNY Office of General Counsel has worked closely with the College in this repurposing effort, and has reviewed the available donation instruments and other materials in support of the proposed changes.
L. LEHMAN COLLEGE – RELEASE OF RESTRICTIONS ON VARIOUS FUNDS TO BE USED FOR SPECIFIED PURPOSES:

RESOLVED, That the Board of Trustees of The City University of New York authorizes the release of restrictions on various funds at Lehman College (as listed on Schedule A annexed hereto) and further authorizes those funds to be used for the purposes indicated on Scheduled A, upon prior notice to the New York State Attorney General, as and if required by the New York Prudent Management of Investment Funds Act. The Senior Vice Chancellor for Legal Affairs is authorized to sign any documents necessary to connection with the authorizations granted hereby.

EXPLANATION: The New York Prudent Management of Investment Funds Act (NYPMIFA), enacted in 2010 as part of the New York Not-for-Profit Corporation Law, provides for the release or modification of donor-imposed restrictions on gifts under certain circumstances. Under NYPMIFA, funds that are more than 20 years old and have balances of less than $100,000 may be repurposed by CUNY without the need for court approval. The funds listed on Schedule A annexed hereto meet that criteria. All of the funds are being proposed for alternative uses because the current uses are either unlawful, impractical, wasteful, or their current purposes are impossible to comply with.

The CUNY Office of General Counsel has worked closely with the College in this repurposing effort, and has reviewed the available donation instruments and other materials in support of the proposed changes.

NO. 4. COMMITTEE ON FACULTY, STAFF, AND ADMINISTRATION: RESOLVED, That the following items be approved:

A. BROOKLYN COLLEGE - AMENDMENTS TO GOVERNANCE PLAN:

RESOLVED, That the proposed amendments to the Governance Plan of Brooklyn College be adopted, effective May 5, 2014.

EXPLANATION: The amendments to the Governance Plan (“the Plan”) of Brooklyn College (“the College”) update the Plan by recognizing the role of the Deans in each School in the College on each School’s Promotion and Tenure Review Committee, and by building in flexibility in the establishment of Policy Council standing committees. The changes were approved by the College’s Policy Council on May 7, 2013 and December 5, 2013 and are recommended by the College President.

The proposed amendments provide that each School’s Promotion and Tenure Review Committee would meet and discuss candidates for promotion or tenure with the Dean of the respective school prior to voting. The School’s Dean would not have a vote or be present during the vote.

In addition, the proposed amendments allow the Policy Council to establish standing committees without requiring further revision of the Plan. The Policy Council would have the authority to establish standing committees and ad hoc committees, and the Plan would no longer specify the need to establish particular standing committees. This amendment would also bring the Plan into conformity with the Policy Council’s bylaws and College practices.

Where there are fewer than five departments in the school, additional committee members will be elected to bring the committee total to five. These additional members will be nominated and elected from the faculty of the school. No more than two members of the same department may serve. Each School Promotion and Tenure Review Committee will consider all promotion and tenure/CCE candidates within its school. The Dean will convene each school review committee but not have a vote. Selection of committee members to three-year terms to be voted on (one person one vote) in each department in conjunction with triennial elections. Interviews of candidates and chair will take place at level two. Content of interview to be limited to clarification and explanation of written record. Each School Promotion and Tenure Review Committee will meet and discuss the candidates with the Dean of the respective school prior to voting. The Dean will not have a vote nor be present for the voting procedure. A member of each school review committee (not the Dean) will report that committee’s recommendations to the third level.

3. **Level three: College-wide Promotion and Tenure Committee.** The College-wide Promotion and Tenure committee, described above, reviews the recommendations of the School Promotion and Tenure Review Committees. Then the recommendations of the College Promotion and Tenure Committee, together with
the recommendations of the School Promotion and Tenure Review Committees, will be forwarded to the President.

4. **Level Four:** The President considers the recommendations of all committees and renders her or his decision on whether or not a candidate will be recommended positively to the University’s Board of Trustees.

5. Subcommittees of the full College Promotion and Tenure Committee will be appointed when there are candidates in the following categories:

   a. A subcommittee on tenure for College Laboratory Technicians in non-academic Departments which shall consist of three tenured faculty members elected by, but not from, the College Promotion and Tenure Committee, and two administrators appointed by the President.

   b. A subcommittee on promotion for College Laboratory Technicians in non-academic Departments which shall consist of three tenured faculty members elected by, but not from, the College Promotion and Tenure Committee, and two administrators appointed by the President.    c. A subcommittee on tenure for persons in the Registrar series which shall consist of three chairpersons elected by the College Promotion and Tenure Committee and two administrators appointed by the President.

6. The subcommittees named in paragraph 5 will report their recommendations to the College Promotion and Tenure Committee, after which the recommendations of the College Promotion and Tenure Committee, together with the recommendations of the subcommittees, will be forwarded to the President.

7. Members of any Brooklyn College Personnel Committee shall not be eligible to vote on their own candidacies, and for purposes of such a candidacy the whole number of voting members of the committee shall exclude the candidate.

C. The President will meet with the appropriate college personnel committee or committees to discuss any case for which he/she requires additional information before making his/her final recommendation to the Board of Trustees.

D. JOHN JAY COLLEGE OF CRIMINAL JUSTICE - NAMING OF THE ALAN SIEGEL WRITING CENTER:

RESOLVED, That the Board of Trustees of The City University of New York approve the naming of the Writing Center in the new building at John Jay College of Criminal Justice as the “Alan Siegel Writing Center.”

EXPLANATION: Alan Siegel has been an active and dedicated Trustee of the John Jay College Foundation since 2009. He is a member of the Board’s Executive Committee and serves as chair of the Nominating Committee. As the founder and principal of one of New York’s leading marketing firms, Siegel & Gale, Mr. Siegel developed and designed John Jay’s new logo and drove rebranding efforts.

Mr. Siegel recently signed a $287,300 pledge to the John Jay College Foundation to fund the Siegel Fellowship in Strategic and Non-Profit Communication, a certificate program designed to teach best practices in public and strategic communications. This fellowship program will serve to elevate John Jay’s profile as an academic institution committed to strong writing.

In recognition of Mr. Siegel’s generosity, the College requests that the Writing Center in the new building be named the “Alan Siegel Writing Center.”

E. JOHN JAY COLLEGE OF CRIMINAL JUSTICE - NAMING OF THE JOHN A. REISENBACK CLASSROOM:

RESOLVED, That the Board of Trustees of The City University of New York approve the naming of classroom 1.114 in the new building at John Jay College of Criminal Justice as the “John A. Reisenbach Classroom.”

EXPLANATION: The John A. Reisenbach Foundation (the “Reisenbach Foundation”) has been a consistent supporter of John Jay College for more than 20 years. The premier charitable organization of New York’s media and advertising communities, the Foundation was established in 1991, one year after the murder of John A. Reisenbach in Greenwich Village. John was vice president of national advertising sales for what was then All American Television. The Reisenbach Foundation was created to honor his life and memory in a positive way with a mission to create, foster, or support programs designed to make New York a safer and better place to live and work.

The Reisenbach Foundation has made gifts exceeding $125,000 through the John Jay Foundation, the CUNY Research Foundation, and John Jay College in support of various initiatives, including two Master’s Scholars in the Criminal Justice, Forensic Science or Forensic Psychology programs.

In recognition of the Reisenbach Foundation’s ongoing support, the College requests naming of the “John A. Reisenbach Classroom.”

NO. 5. COMMITTEE ON ACADEMIC POLICY, PROGRAMS AND RESEARCH: RESOLVED, That the following items be approved:

A. COLLEGE OF STATEN ISLAND - MS IN ED AND ADVANCED CERTIFICATE IN TESOL:

RESOLVED, That the programs in TESOL (Teaching English to Speakers of Other Languages) leading to the Master of Science in Education and the Advanced Certificate at the College of Staten Island be approved, subject to financial ability, effective May 6, 2014.
EXPLANATION: The non and limited English speaking population on Staten Island has increased dramatically over the past ten years as immigrants from all parts of the globe establish themselves in this borough. There is currently a shortage of public school teachers certified to teach children enrolled in Staten Island’s elementary, middle and secondary schools. The master’s degree and the advanced certificate will qualify different populations to become eligible for licensure in this burgeoning field.

B. JOHN JAY COLLEGE - BA IN SOCIOLOGY:

RESOLVED, That the program in Sociology leading to the Bachelor of Arts at John Jay College, be approved, subject to financial ability, effective May 6, 2014.

EXPLANATION: The addition of this BA program is part of John Jay College’s continuous efforts to advance its strategic agenda of becoming a traditional liberal arts with programs focusing on justice. In addition to courses in theory, social stratification, statistics and research methods, students will select a concentration of courses either in “Global Change” or “Inequality and Social Justice.” Graduates of the program will be prepared for entry level positions in areas such as human resources, social research and social work. The program will provide excellent preparation for graduate work in areas such law, business and social work in addition to doctoral level education in Sociology.

RESOLVED, That the Department of Sociology, Anthropology, and Social Work (SASW) be closed and that the disciplines within the Department of SASW be established as two new departments - the Department of Sociology and Anthropology, and the Department of Social Work effective May 6, 2014.

EXPLANATION: Pursuant to academic and institutional planning, and following consultation by the President with the College’s governance bodies, and of the President and Provost with faculty affected by the reorganization, the College of Staten Island proposes to dissolve the Department of Sociology, Anthropology and Social Work and create two new academic departments, as listed above to be effective May 6, 2014. Following an affirmative vote by the Department of Sociology, Anthropology, and Social Work on October 4, 2012, the Institutional Planning Committee voted on November 15, 2013 to dissolve the department and establish the Department of Sociology and Anthropology and the Department of Social Work. The President brought this action to the College Council on December 19, 2013, which referred it to the Faculty Senate for its recommendation. The Faculty Senate voted affirmatively on February 27, 2014.

The College of Staten Island has previously successfully divided amalgamated departments into disciplinary units resulting in new curricula and new undergraduate and graduate programs. Creation of two independent academic departments, the Department of Sociology and Anthropology and the Department of Social Work, will enhance the ability of faculty members within each discipline to refine their programs to reflect emerging trends in their fields and strengthen their ability to recruit faculty who expect and prefer to work within discipline-specific departments. It will permit a more focused effort on programmatic and curricular development, more specialized representation on college-wide committees and a clearer representation of the discipline for potential faculty and students. It will permit the creation of an administrative structure providing for more effective management of degrees.

Faculty in a Department of Social Work will be well positioned to administer its newly accredited Bachelor’s of Social Work and its newly approved Master’s of Social Work (MSW). The MSW program has recently begun accepting applications for the Fall 2014. The program has submitted initial materials to begin the national CSWE accreditation process. A department structure is consistent with both national standards and other CUNY social work programs that have graduate and undergraduate programs.
A Department of Sociology and Anthropology will likewise provide a structure to enable faculty members to focus on their closely aligned social science disciplines.

Separate resolutions have been submitted to the Board of Trustees via the University Report Addendum regarding the transfer and appointment of personnel. Contingent upon the approval of the establishment of the Department of Sociology and Anthropology and the Department of Social Work, designated faculty members will be transferred from the Department of SASW and appointed to the new departments effective May 6, 2014.

RESOLVED, That the Department of Education be closed and that the disciplines within the Department of Education be established as two new departments in the School of Education, The Department of Curriculum and Instruction; and The Department of Educational Studies, effective May 6, 2014.

EXPLANATION: Pursuant to academic and institutional planning, and following consultation by the President with the College’s governance bodies, and of the President and Provost with faculty affected by the reorganization, the College of Staten Island proposes to dissolve the Department of Education and create two new academic departments, as listed above to be effective May 6, 2014. The Institutional Planning Committee voted on October 18, 2013 to dissolve the Department of Education and establish two new departments pending an affirmative vote by the department. On November 7, 2013 the Department of Education voted accordingly. The President brought this action to the College Council on December 19, 2013, which referred it to the Faculty Senate for its recommendation. The Faculty Senate voted affirmatively on February 27, 2014.

The College of Staten Island has previously successfully divided amalgamated departments into disciplinary units resulting in new curricula and new undergraduate and graduate programs. Creation of two independent academic departments, the Department of Curriculum and Instruction and the Department Educational Studies, will enhance the ability of faculty members within each discipline to refine their programs to reflect emerging trends in their fields and strengthen their ability to recruit faculty who expect and prefer to work within discipline-specific departments. It will permit a more focused effort on programmatic and curricular development, more specialized representation on college-wide committees and a clearer representation of the discipline for potential faculty and students. It will permit the creation of an administrative structure providing for more effective management of degrees.

Faculty in a Department of Curriculum and Instruction will be enabled to keep pace with the dynamic changes in teacher preparation such as the adoption of edTPA by NY State. This department will also be well positioned to develop post masters advanced certificates in fields such as mathematics or science education. A Department of Educational Studies will likewise provide a structure to enable faculty members in foundational and specialty fields to accommodate changes in teacher preparation centered on their disciplines. This department will also be well positioned to explore ways to prepare students for doctoral work.

Separate resolutions have been submitted to the Board of Trustees via the University Report Addendum regarding the transfer and appointment of personnel. Contingent upon the approval of the establishment of the Department of Curriculum and Instruction and the Department of Educational Studies, designated faculty members will be transferred from the Department of Education and appointed to the new departments effective May 6, 2014.
The Institutional Planning Committee voted on October 18, 2013 to dissolve the Department of Education and establish two new departments pending an affirmative vote by the department. On November 7, 2013 the Department of Education voted accordingly. The President brought this action to the College Council on December 19, 2013, which referred it to the Faculty Senate for its recommendation. The Faculty Senate voted affirmatively on February 27, 2014.

NO. 6. COMMITTEE ON FACILITIES PLANNING AND MANAGEMENT: RESOLVED, That the following items be approved:

A. BRONX COMMUNITY COLLEGE - STUDENT CENTER FIRE ALARM PROJECT:

RESOLVED, That the Board of Trustees of The City University of New York authorize the City University Construction Fund to execute a Purchase Order with the firm of Red Hawk Fire and Security on behalf of Bronx Community College for the services to install a Fire Alarm System in the Roscoe Brown Student Center at Bronx Community College under an existing New York State Office of General Services Contract. The contract cost shall be 50% chargeable to New York City Funds per CP 58521 and 50% chargeable to New York State Capital Construction Funds, Project No. 2539909999 for an amount not to exceed $700,000. The contract shall be subject to approval as to form by the University Office of General Counsel.

EXPLANATION: The fire alarm system at the Student Center Building is not in compliance with the current New York City Building and Fire Codes. The Fund on behalf of the City University of New York intends to upgrade the existing Roscoe Brown Student Center Fire Alarm system to meet new code requirements as required by the New York City Fire Department. The proposed vendor will undertake the work under a New York State Office of General Services Contract.

B. LAGUARDIA COMMUNITY COLLEGE CENTER - 3 BUILDING REPLACEMENT OF FAÇADE:

RESOLVED, That the Board of Trustees of The City University of New York accept the design for the Center Board 3 Façade Replacement at LaGuardia Community College. The design was prepared by Mitchell Giurgola Architects, who were selected through a DASNY Request for Proposal process. The design is for the full removal and replacement of the 168,000 square foot façade on the Center 3 Building. The new façade will be a high performance unitized curtain wall system consisting of extruded terra cotta panels and high efficiency windows. The factory-formed panels of the unitized system offer improved logistics and speed of installation that will minimize disruption to the occupants of the building. The proposed curtain wall system provides durability, significant energy savings and advance waterproofing design performance; and be it further

RESOLVED, That the Board of Trustees of The City University of New York authorize the Dormitory Authority of the State of New York to complete the contract documents, bid and award contracts and supervise the construction of this project. The contracts shall be subject to approval as to form by the University Office of General Counsel.
EXPLANATION: The Project will replace the Center 3 Building’s failing terra cotta façade. The existing façade will be removed and replaced in stages over a thirty-six month period. The building will be occupied during this time. The total project, including design, is estimated to cost approximately $118,000,000.

C. THE CITY UNIVERSITY OF NEW YORK - ENGINEERING DESIGN SERVICES REQUIREMENTS CONTRACTS:

RESOLVED, That the Board of Trustees of The City University of New York authorize the City University Construction Fund to execute approximately thirty-six (36) requirements contracts to be used on an as-needed basis for Engineering Design Services. The contracts shall be subject to approval as to form by the Fund’s General Counsel. The firms to be awarded contracts are in the process of being selected.

EXPLANATION: The Office of Facilities Planning, Construction, and Management (FPCM) has issued a new Requests for Qualifications and is seeking to award approximately thirty-six (36) separate requirements contracts to replace the expiring Engineering Design Services Requirements Contracts currently in use. These contracts will provide services on an expedited “as needed” basis at the University’s various sites and facilities in the following categories of work: mechanical, electrical and plumbing; environmental; and special inspection. Each contract will have a not-to-exceed amount of $4.95 million for a three-year term with a three-year renewal clause. Historically, an individual “by project” solicitation process was used for these services. The “by project” process is very costly, time-consuming, labor-intensive, inefficient, difficult to administer, and fails to expeditiously and efficiently meet the needs of the University. To eliminate this expensive and burdensome process, FPCM implemented these requirements contracts.

D. JOHN JAY COLLEGE OF CRIMINAL JUSTICE - LEASE RENEWAL FOR 845 TENTH AVENUE, NEW YORK, NEW YORK:

RESOLVED, That the Board of Trustees of The City University of New York authorize the General Counsel to execute a twenty-year lease renewal, for approximately 59,759 rentable square feet of space, at 845 Tenth Avenue, New York, New York, on behalf of the John Jay College of Criminal Justice. The lease shall be subject to approval as to form by the University Office of General Counsel.

EXPLANATION: The John Jay College of Criminal Justice has occupied classroom, office and student service space at 845 Tenth Avenue since 2004 pursuant to a lease that will expire in September 2014. Under the existing lease the current base rent is $55.45/SF.

The main terms of the proposed lease renewal are as follows:

Term: Twenty years to start upon the expiration of the existing lease.
Area: 59,759/SF on part of the Ground Floor and Entire Second Floor.

Annual Base Rent:
- Years One through Five: $3,300,000 ($55.22/RSF) per annum.
- Years Six through Ten: $3,635,000 ($60.82/RSF) per annum.
- Years Eleven through Fifteen: $4,003,500 ($67.00/RSF) per annum.
- Years Sixteen through Twenty: $4,408,850 ($73.77/RSF) per annum.

The Landlord, at Landlord cost, shall perform certain improvements to the space specified by the University. The Landlord will be responsible for repairs to the exterior, structural, roof, and HVAC. The University is responsible for its share of direct operating costs.
E. (ADDED ITEM) THE CITY UNIVERSITY OF NEW YORK - ENACTED CAPITAL BUDGET ADJUSTMENT, FY 2014-15:

RESOLVED, That The City University of New York Board of Trustees acknowledges that the New York State enacted budget for FY 2014-15 (the "Enacted Budget") requires a reduction in critical maintenance funding of $52 million from $258 million proposed in the Governor’s Executive Budget; and be it further

RESOLVED, That The City University of New York Board of Trustees approves, in compliance with the requirement of the Enacted Budget, the reduction to the Executive Budget, in the amounts indicated and, to the projects listed below.

EXPLANATION: The Executive Budget provided $258 million in critical maintenance funding for FY 2014-15. During the adoption process the level of funding was reduced to $206 million, a reduction of $52 million. Although both the Executive and Enacted Budgets are comprised of a listing of projects with allocations, the Enacted Budget adds this line item “Less an amount to be allocated by the board of trustees: (52,000)"[amount in thousands].

A summary of the critical maintenance items and appropriated amounts, the amount of the reduction by item, and the revised item total are appended hereto.
