RESOLVED, that the program in Therapeutic Recreation offered at LaGuardia Community College and leading to the Associate of Science, be approved, effective June 27, 2016, subject to financial ability.

EXPLANATION: LaGuardia Community College proposes to establish an Associate of Science degree in Therapeutic Recreation. The program will be offered through the Department of Health Sciences and aims to equip students with the necessary skills and competencies required to function efficiently as Recreation Therapist and Recreation Leaders/Assistants. This program was developed with the vision of providing a first degree program for students who have an interest in an Allied Health career and the program has an articulation agreement with the bachelor’s degree in Therapeutic Recreation at Lehman College.
