RESOLVED, that the program in Computer Science & Information Security offered jointly by Queensborough Community College and John Jay College leading to both the Associates and Bachelor of Science, be approved, effective September 26, 2016, subject to financial ability.

EXPLANATION: There are a wide range of employment opportunities in the field of cybersecurity in both the private and public sectors. The curriculum in this dual/joint program is consistent with the framework of the National Institute for Standards and Technology’s National Initiative for Cybersecurity Education. This, combined with a partnership with the Cybersecurity Workforce Alliance, an association of private sector employers working to improve and increase the cybersecurity workforce, should provide excellent employment opportunities for our students upon graduation.
