RESOLVED, that the program in Applied Mathematics: Data Science and Cryptography offered at John Jay College and leading to the Bachelor of Science, be approved, effective February 21, 2017, subject to financial ability.

EXPLANATION: John Jay continues to expand its offerings in the liberal arts by designing an undergraduate degree that focuses on mathematical applications to both big data as well as data security. The curriculum will consist of high level coursework in both mathematics and computer science. Graduates of either concentration will have career opportunities that are both professionally and financially rewarding.
