EXHIBIT B

PROJECT SUMMARY
BARUCH COLLEGE
FIRE ALARM PROJECT
PROJECT NO. 3167209999

1. **Nature of Action**
   Request for permission to execute a contract on behalf of Baruch College to purchase services and equipment to design and install a fire alarm system in the Information and Technology Building at Baruch College.

2. **Related Trustee Actions**
   Not Applicable

3. **Project History**
   The fire alarm system in the Information and Technology Building is in need of replacement. The existing fire alarm system is not functional and the system component parts are no longer available to maintain the system in working order. Due to the inability to get the necessary parts, the systems cannot be fixed and be approved by NYFD.

4. **Project Scope**
   The scope of work includes:
   a. Preparation of plans and specifications for the installation of the fire alarm system;
   b. Obtaining plan approval from NYC DOB and Fire Department;
   c. Labor and materials required for the complete installation of the fire alarm system.

5. **Net-to-Gross Efficiency**
   Not Applicable

6. **Schedule**
   Design Start: July 2013
   Installation Start: October 2013

7. **Project Funding**
   **Source:** DASNY Bonded Funds
   **Amounts:** Design, Equipment, and Installation $900,000

8. **Cost**
   Per Engineering, Equipment, Installation with construction contingency included in Resolution amount.

9. **Cost per Square Foot**
   Not Applicable
