**EXPLANATION:** The amendment to Article 6.1 adds two new titles in the CUNY School of Medicine: Affiliated Medical Lecturer and Affiliated Medical Teacher.

The titles of Affiliated Medical Lecturer and Affiliated Medical Teacher are being added to supplement the titles needed for instruction at the CUNY School of Medicine, which has received preliminary accreditation by the Liaison Committee on Medical Education (LCME) to begin offering an M.D. granting program in August 2016. In order to meet the LCME requirement that clinical medical faculty supervising student learning experiences at hospitals have appointments on the institution’s faculty, on December 1, 2014, the Board approved the creation of three titles in an Affiliated Medical Professor series. The University is now creating two additional titles – Affiliated Medical Lecturer and Affiliated Medical Teacher – to permit the appointment of non-physician qualified health care professionals who will be actively engaged in the training and supervision of medical students. As with the other titles for affiliated medical faculty, individuals in these affiliated titles will not receive compensation from or have employment status at CUNY.
