THE CITY UNIVERSITY OF NEW YORK SCHOOL OF LAW

Amendments to the Governance Plan

RESOLVED, That the proposed amendments to the Governance Plan of The City University of New York School of Law be adopted, effective July 1, 2016.

EXPLANATION: The proposed amendments to Article IV of the Governance Plan of The City University School of Law (“CUNY Law School”) would augment the composition of the Administrative Screening and Review Committee (“ASRC”) by increasing the membership from three to five and providing that at least one member be a classified staff member. The amendments also would provide for two-year appointments to the ASRC.

The ASRC is responsible for reviewing proposed appointments, reappointments, titles and salary recommendations for administrative positions. The committee is currently composed of faculty and administrative staff; the addition of a classified staff member would provide another valuable perspective. The amendment providing for two-year terms would ensure continuity on work being performed by the committee.

These amendments were approved by the CUNY Law School’s faculty on May 6, 2016 and are recommended by the Dean.
