EXPLANATION: The Hunter College MFA Program in Studio Art is one of the most highly selective programs in the nation. The challenges of keeping abreast of the rapid advancements in the technologies and offering focused training for students make it critical to have an academic excellence fee to reinvest in the program. The College will continue to administer financial aid to assist students with the completion of their studies, and to bear the basic operating cost of studio art facilities.

The program is highly competitive, due to its excellent programming and its affordability when compared to other leading East Coast MFA programs. This unique blend of quality education and low cost attracts a diverse and exceptional student body.

The AEF will provide additional resources, particularly for equipment, for special programs like lectures and panel discussions, and to promote its visibility in the broader arts world and thus enhance career opportunities for its students. Furthermore, the fee-generated revenue will support the purchase of course materials and leverage the purchasing power of the College to reduce prices paid. Lastly, the fee can be used to raise the profile of the program and its students, a key element in giving them a market advantage in a competitive environment.
