I. ACTION ITEMS:

- A. APPROVAL OF THE MINUTES OF THE MEETING OF JUNE 1, 2015.** The minutes were approved as submitted.

II. INFORMATION ITEMS:

- Presentation of FY 2015 Audited Financial Statements - KPMG

PRESENTATION BY SHELLY MASI, PARTNER AND JASON SPIEGEL, SENIOR MANAGER, KPMG

In response to a question from Prof. Kay Conway, Ms. Shelly Masi stated that KPMG does not audit 27 out of 80 discreetly presented component units. That sounds like a relatively small number but the foundations hold the vast majority of the discreetly presented foundations' investments. That is why the percentages are so high. As a result, KPMG relies on the opinions of the other auditors, obtaining all of the final audited financial statements. In addition, KPMG confirm independence and the qualifications of those auditors as part of its audit.

In response to a question from University Faculty Senate (UFS) Chair and Trustee Terrence Martell, Mr. Jason Spiegel stated that unless the city defaulted on the University's net pension liabilities, it is an actuarially determined liability.

Ms. Masi added that it is funded by New York State. The pension expense is running through your statement of changes so it is impacting the University through those needs.
