

**Policy 1.16 Exit from Remediation**

All colleges shall use common objective tests reflecting national norms, and other assessments as deemed necessary, to determine when students who have been placed in remedial coursework qualify for exit from remediation. The Chancellor, following consultation with appropriate faculty and administrative representatives, shall designate suitable objective tests to be fully implemented by the Spring 2000 semester. The Chancellor shall report to the Board of Trustees periodically on remedial student performance and each college's compliance with this policy. (BTM,1999,09-27,005,\_A)
