

Policy 1.17 Experimental Courses

The Board of Trustees gives authorization to each senior and community college of The City University of New York to introduce on an experimental basis, as many as fifteen courses per semester approved by the Curriculum Committee of the Faculty Council, and by the President, with the understanding that such courses would not be offered for more than two semesters without the usual Board of Trustees review, and with the further understanding that this resolution does not permit the establishment of new programs, departments, or schools.
