

Policy 1.20 Matriculated Undergraduate Students

Any City University of New York undergraduate student who states his or her intent to pursue an approved degree program and is pursuing courses at such time that contribute toward fulfillment by the student of the requirements for completion of said degree program, shall be recognized as a candidate for an approved degree and shall be classified as a matriculated student. An undergraduate University student who is not classified as a matriculated student shall be classified as a non-degree student. (BTM,1977,06-20,006,_C)
