

Policy 3.02 Honoraria, Travel Reimbursements, and Outside Activities

The Board of Trustees of The City University of New York, in accordance with the Regulations of the New York State Ethics Commission implementing the New York State Ethics in Government Act, hereby designates the President of each senior college of the University to serve as the approving authority to review requests for approval of honoraria and travel reimbursements, and outside activities. The Chancellor of the University is to serve as the approving authority for the presidents of the senior colleges. The Chancellor, or the Executive Vice Chancellor as his or her designee, is to serve as the approving authority for the covered Central Office staff. The Chairperson and the Vice Chairperson of the Board of Trustees are to serve as the approving authority for the Chancellor of the University. (BTM,1990,09-24,006,_B)

The Board of Trustees of the University, in accordance with the Regulations of the New York State Ethics commission implementing the State Ethics Law, hereby designates the President of each community college of the University to serve as the approving authority to review requests for approval of honoraria and travel reimbursements, and outside activities. The Chancellor of the University is to serve as the approving authority for the presidents of the community colleges. (BTM,1990,09-24,006,_B)
