MEMORANDUM

To: Members of the Committee of the City University of New York
From: Albert H. Bowker
Subject: Chancellor's Medal

It is proposed that there be established a Chancellor's Medal to be awarded to those who have distinguished themselves in such a manner as to merit recognition by, or to reflect credit upon, the City University of New York. The honor conferred by this medal would of course fall short of that connected with an honorary degree, but it would enable the City University to make public in an appropriate way its admiration and gratitude upon occasion.

Precedent exists in the award of presidential medals at three of our Senior Colleges.

1. City College has made such awards to the following, among others:
 - Jonas Salk
 - Robert Hofstadter) Nobel laureates, alumni
 - Arthur Kornberg)
 - Bernard Baruch
2. Hunter College has bestowed its presidential medal upon, among others:
 - Louis M. Rabinowitz
 - Evelyn Picker
 - Regina Resnick
 - Jacob Schlossberg
 - Samuel J. and Lois V. Silberman
3. Brooklyn College has made such awards to the following, among others:
 - Manfred Ohrenstein
 - John Hope Franklin
 - Abe Stark
4. Queens College is discussing the establishment of a president's medal, but has taken no action as yet.
