

Policy 5.18 Recognition of Faculty Research

Those faculty members engaged in research and scholarship should have this activity recognized as part of their total responsibilities to the college. (BTM,1979,12-17,004,_E)

To promote the intellectual development of junior faculty members the PSC-CUNY Research Award Program should give special consideration to their grant requests. (BTM,1979,12-17,004,_E)
